

# EMERSON BADLY TRIMS E. CHICAGO

Emerson walloped her old enemy East Chicago last night to the tune of 32-2. The game was played at the Emerson gym which put the visiting team at a disadvantage. The game was fast and excellent team work and guarding was shown on the part of Emerson.

East Chicago true to her traditions, played hard to the last whistle, but was no match for the strong Emerson five. Emerson players made one field goal after another while East Chicago was unable to make a basket. Fate seemed to be against the losers in the few chances they had to score, for every time the East Chicago boys sent the ball to their basket it rolled around the inside and bounced out again.

East Chicago turned out in large numbers to support their team and rooting competition waxed hot during the entire game. The opening game was played between the second team and the Sophomores, both of Emerson, resulting in a score of 22-6 in favor of the second team. The lineup:

East Chicago—C. Spudis; L. P. Creswell; R. F. Johnson, Matiasowski; L. G. Popovich; R. G. Lloyd, Cook.  
Emerson—C. Strutiger; L. P. Sibley; R. F. Humes; L. G. Aldridge; R. G. Wood.  
Free throws—East Chicago: Johnson, 2; Emerson: Sibley, 2.

## GIRL TEAM TO PLAY FIRST GAME

The Betz girls basketball team will play its first game of the season next Monday night, Dec. 13, at the Irving school gymnasium. The game is scheduled for 7:45 p. m. and the admission fee has been fixed at 25 cents.

The Betz team will play the Letz Manufacturing company girls team of "Brown Point," reputed to be the strongest girls team in the state. Some time ago a call was sent out to the girl employees of the Frank S. Betz company in an effort to organize a basketball team. The response was so great that material was found for more than two full teams. They obtained the services of a capable coach and began to practice two or three nights a week; a series of elimination games were played and a first team selected. They aspire to the industrial championship of the city, county or state and Captain Ruth Schroeder has hurled a defy at every city organization in the region. Miss Schroeder says that male baseball players are not the only by-product of the Betz plant. She claims that they also produce first class lady athletes, that her team is in principle and if anyone doubts their statement, they may have proof of a more convincing nature by simply getting in touch with her at the Betz office.

## MCCORMACK IN FRANCE

PARIS, Dec. 11.—U. S. Senator Mc-

Ill McCormack has been here for some weeks studying the European situation, will leave tonight for Geneva and thence will go to Vienna, Prague and Warsaw, returning to Paris on Dec. 26. Senator McCormack said to the International News Service while preparing for his departure:

"I am quite unable to make a statement as yet. The important conversations I have had with leading French statesmen, such as President Miller-

and, ex-President Poincare, Premier Leygues and ex-Premier Briand, were of a private nature."

The senator expressed himself as much impressed with France's efforts of after-the-war restoration.

## FAMOUS SECRET SERVICE MAN COMING

Captain Thomas E. Hall, of Indianapolis, who worked for years with Maj. Allen Pinkerton, will be in Hammond on Wednesday evening, Dec. 15, to talk to the young men on "Criminals I Have Met."

At one time Hall was left for dead by the James boys on the western plains, later helping to exterminate the entire gang. He will also give the life history of Charlie Ulrich, the most expert counterfeiter ever known, and of Peter McCarty, the king of the counterfeiters, and many others.

The attendance is limited to the Young Men's Bible Classes of the Methodist and Presbyterian churches, and the dinner and entertainment is the result of a membership contest between Charlie Ulrich and L. L. Homberger, the teachers of the classes.

Young men from 1 to 35, who enroll in either class tomorrow, will get in on the dinner Wednesday evening at 6:30.

## BANQUET FOR SALESMEN

Salemen and officials of the Marvel Non-Electric Vacuum Cleaner factory of Hammond, were entertained at dinner last evening by the members of the distributing agency which occupies Room 210 of the Hammond building. The dinner was served at the Lyndora hotel and afterward the diners retired to the Blue Room where many interesting facts were discussed regarding the great possibilities of the Marvel cleaner. Few people in Hammond are aware that this household accessory is manufactured in Hammond. The factory is housed on 142nd street on the grounds of the Illinois Car & Mfg. Co.

## TRICK MULE AT ORPHEUM

# WHEN THE DESIRE OF ALL NATIONS SHALL COME

Our nation has recently spent a million and a half dollars in its efforts to establish peace. Peace, and the blessings that go with it, is the greatest desire of all the nations of earth.

Billions in money have not, cannot, and will not obtain it. When will it come, and how? The Bible answers these questions fully.

Mr. W. L. Turkington of Chicago will discuss this topic from a Biblical standpoint in the I. O. O. F. Hall, Hammond, Sunday, Dec., 12, at 3:00 P. M.
